Our November Benefit Concert

Join us on November 11 in Rancho Cordova at the Village Green Amphitheater, for a community benefit concert supporting the Foundation's mission. Proceeds go towards a coalition of organizations including Volunteers of America, Nation's Finest, America's Homeless Veteran's and The Gathering Inn. Sponsors help make the evening possible and are recognized before, during, and after the event across our website, newsletter, printed materials, and on-site signage, depending on sponsorship level.
